

**ROSSLYN FARMS
2023 TENNIS COURT
MEMBERSHIP APPLICATION**

The Tennis Commission is pleased to announce that the tennis courts are open for the season. The courts are open to resident and non-resident paying members and their guests. Guests **MUST** be accompanied by a member when using the courts. As you might know a few years ago we created a Rosslyn Farms recreational pass so if you join the pool you also have access to the tennis courts. If you don't want to join the pool, then we would ask you to become a tennis member if you plan to use the courts. These dues are used to pay for the court upkeep.

The courts are only to be used to play tennis or pickleball. Please no bikes, dogs and skateboards. The courts have a special surface to help with impact, but if that surface gets ripped the court cannot be easily or cheaply fixed. We spent a lot of money to fix and repaint the courts, so please only use them for tennis and pickleball. There are pickleball racquets in the shed if you want to try out that sport. Shirts and tennis shoes must be worn.

_____ Resident family annual membership*	\$95
_____ Non-resident family annual membership	\$190

Name

Address

Email address

Checks should be made payable to the Rosslyn Farms Tennis Commission and sent to:
Isabel Ford, 218 Puritan Road, Carnegie, PA 15106

* **Note** - Resident family membership includes resident grandparents with grandchildren under 18 years old. A grandparent must be present when a non resident grandchild is playing. This also includes resident children with a non-resident babysitter.

Membership is limited to private use only. Using the courts for revenue generating activities is prohibited unless approved by borough council.

We are hoping to provide children's lessons again this summer. More information will be sent via email. Non members will only be able to play at pre-determined times scheduled for those lessons as approved by the Tennis Commission.
